BioGraphy[™]

The BioGraphy collection of contemporary kitchens is inspirational, aspirational and designed with modern living and affordability in mind. Our carefully considered, but flexible kitchen concepts enable you to reflect your personality and create smart and stylish spaces that work for you and your life – with no compromise on quality, functionality, or practicality.

This brochure illustrates the wide variety of doors, finishes, worksurfaces and accessories we have in the BioGraphy collection and how they can work together to produce inspirational and beautiful contemporary kitchens.

B. Inspired, creative, *individual*

SEAMLESS PRECISION

Clean, sharp and for fans of all things minimal, BioGraphy allows you to create looks that reflect light, radiate a sense of sophistication and blend perfectly with your home's architectural characteristics.

Create a bright, precise space that works effortlessly for entertaining, or quiet nights in, utilising clever hidden storage and generous workspaces for feature-rich functionality: a minimalist design that delivers maximum impact.

B. Sleek, practical, beautiful

MODERN BRITISH

Kitchens aren't only for cooking. As the social centre of the modern British family home, today's kitchens are multi-functional spaces where you eat, play, share your day and help the kids with their homework.

BioGraphy will help you to maximise space, transform your interior and create a kitchen that's adult and child friendly, with smart storage, accessible prep areas and a room to share that all-important downtime.

B. Sociable, practical, relaxed

Shown here in a mix of Remo Matt Porcelain with Gloss Graphite. Strata Quartz Ash Grey worksurfaces with Strata Quartz White Venato backsplash.

A tall, dark-colored cabinet unit with a built-in oven and a glass-fronted upper section. The oven is black with a silver handle and control panel. The cabinet is set against a light-colored wall.

A wooden open shelving unit with several shelves. The top shelf holds a row of blue books. Below, there are various decorative items, including a small house-shaped object, a bottle, and other kitchen accessories.

A modern, curved chrome faucet with a high arch, positioned over a sink area on the dark countertop.

A white, four-slice toaster with a silver handle and a control knob, sitting on the dark countertop next to a wooden cutting board.

A light-colored wooden chair with a simple, functional design. On the seat, there is a stack of four books and a small, golden lion figurine. The books have colorful covers, and the lion is standing on top of the stack.

A stack of four books. From top to bottom, the spines are red, yellow, green, and blue. The red spine has the text "BOYS and GIRLS" visible. The yellow spine has "MOVIES OF THE 60's" visible. The green spine has "LITTLE BOOK" visible. The blue spine has "THE HISTORY OF THE WORLD" visible.

A small, golden-colored figurine of a lion standing on its hind legs, positioned on top of the stack of books on the chair.

RICH MINIMAL

Capturing contemporary sophistication, BioGraphy can be decadent yet refined. The balance of modern design and a rich natural palette create a unique kitchen style.

Design a cleverly crafted space that works perfectly for open plan areas and pleasing, period-property proportions. Warm taupe tones, rich woodgrain and brass accents tease a little tradition into the more modern elements of concrete, linear, sleek lines and thin worktops.
